

STONCLAD UT®

Offers exceptional resistance to wear, impact, and thermal shock, making it perfect for high-traffic, harsh environments like food processing and industrial facilities. With custom colours, logos, and versatile design options.

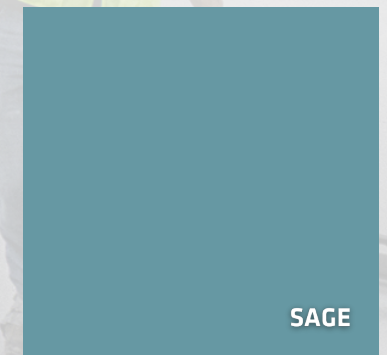

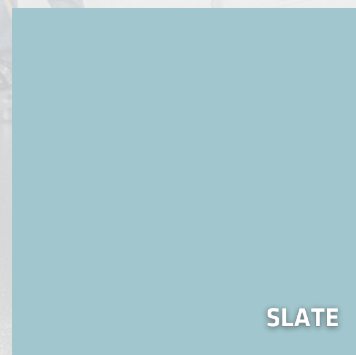

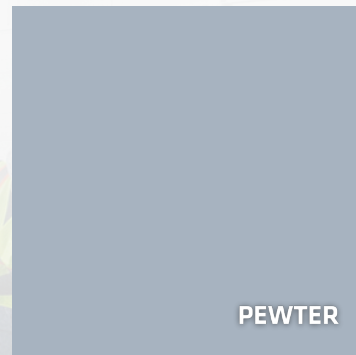

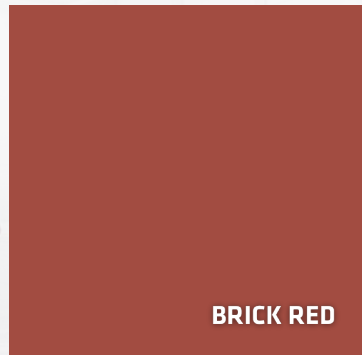

Colour matching is available with additional lead time, minimum order requirements, and a slight premium. Colour reproductions are as accurate as modern photography and quality printing methods can produce. For the actual colour, please request a sample. www.stonhard.co.za ©2025 Stonhard.

STONHARD

STONCLAD UL[®]

Offers resistance to light chemicals, impacts, spills, and cleaning agents. Ideal for durable, low-maintenance flooring in areas like pharmaceutical and warehouses spaces. With custom colours, logos, and versatile design options.

Colour matching is available with additional lead time, minimum order requirements, and a slight premium. Colour reproductions are as accurate as modern photography and quality printing methods can produce. For the actual colour, please request a sample. www.stonhard.co.za ©2025 Stonhard.
